

Have a child or grandchild who's in college? Make sure they're connected through Women's League's "College Connection" program, chaired by Sandi Gladding! Four times each school year (Rosh Hashanah, Hanukkah, Purim, and Passover) they'll receive nice "care packages" in the mail that include a note from the Rabbi, gift cards, a holiday themed treat, and more. Contact the Temple Emanu-El office for more information and to sign up! We love our college students!
